

CAREERS & MANAGEMENT – CAM
DESIGN THINKING MY PPP
M1 S7 – MODULE 2 - INTERVIEWING
CLASS 7 – EVALUATION REVIEW
2025-2026

PPP - INTERVIEWING

#1. EVALUATION REVIEW

What happens in January S7 ?

P P P

DELIVERABLE #1

1. Interview via Video Conference

- With a panel composed of industry partners, academic researchers, and human resources specialists.
 - 6-minute oral presentation followed by a 10-minute Q&A session.
- **CONTENT / 20:**
- An argued project incorporating a [design thinking](#) approach or an innovation management method developed at Stanford University in the 1980s by R. Fast.
 - Use of tools, conducted interviews, sector analysis, international mobility project, internships completed or planned, supporting documents, etc.
- **DELIVERY / 20:**
- Professional and behavioral communication skills: adaptability, politeness, enthusiasm, punctuality, respect for codes, etc.
 - Neutral **business casual** dress code (e.g., a shirt).
 - **English possible: on the day of the interview, please ask the jury for permission.**

What happens in January S7 ?

PPP

DELIVERABLE #2

2. ePortfolio

- Review and apply the guidelines from “*Upgrade your ePortfolio in 10 Steps*” (refer to the PPT slides from the relevant classes).
- Enrich the “**PPP Career Project**” section of your ePortfolio with docs related to your Personal & Professional Project (PPP), such as:
 - ✓ CVs and sample cover letters
 - ✓ Mentor interview summaries
 - ✓ Internship reports or project assessments
 - ✓ Any other relevant materials
- Also, upload to this section the **6 to 8-slide PPT** that you will present on the day of your oral exam.

Evaluation du PPP

Les jurys sont constitués

- d'un industriel, d'un enseignant chercheur et d'un membre de l'équipe SHS
- d'industriels fortement impliqués et très concernés depuis plusieurs années par cette démarche (AIN7, Airbus, Enedis, RTE, Makina Corpus, COFELY, CNES...)

L'échelle d'évaluation contenu (fond) et communication (forme)

- **Projet très avancé et étayé par des contacts sérieux (>15)**
- **Projet réfléchi en cours de maturation encore un peu théorique (>12)**
- **Projet au tout début, trop théorique et sans concret, nécessite plus d'échanges (>10)**
- **Pas de projet, posture nourrissant de sérieuses inquiétudes, pas de questionnement (<10)**

Projet mobilité internationale

- Non validé (**NV**) ? Partiellement validé (**PV**) ? Validé (**V**) ? Bien validé (**BV**) ?
- Empreinte carbone calculée (max = 6 tonnes selon le [Règlement de scolarité](https://agirpourlatransition.ademe.fr/particuliers/bureau/deplacements/calculer-emissions-carbone-trajets) de l'N7)
<https://agirpourlatransition.ademe.fr/particuliers/bureau/deplacements/calculer-emissions-carbone-trajets>

Grille critériée : projet mobilité validé (V) ?

Mobilité Internationale du projet PPP	Projet non validé et à concrétiser NV	Projet partiellement validé et à concrétiser PV	Projet validé et à concrétiser V	Projet bien validé/confirmé et à concrétiser BV	Appréciation : NV ou PV ou V ou BV
16 semaines de mobilité internationale hors de son pays d'origine. <i>CTI 2022 : "L'aptitude à travailler en contexte international - la maîtrise d'une ou plusieurs langues étrangères et l'ouverture culturelle associée; la capacité d'adaptation aux contextes internationaux."</i>	Pas ou très peu de traces (supports écrits) de projets de mobilité internationale.	Quelques traces (supports écrits) de projet de mobilité internationale, mais beaucoup moins des 16 semaines réglementaires.	Des traces suffisantes (supports écrits, PPTs, roadmaps, attestations, etc.) des 16 semaines de projet de mobilité internationale.	Des traces (supports divers) qui indiquent qu'au-delà de 16 semaines de mobilité internationale ont été effectuées.	
Contenu du projet PPP	Non validé 0 - 4,9	Partiellement validé 5 - 9,9	Validé 10 - 14,9	Bien validé 15 - 20	Note / 20
Études préalables : enquêtes métier, recherches documentaires; Analyse du marché du travail sur le secteur visé (évaluation et son évolution). Objectifs personnels : Choix de l'option de 3ème année M2 ; Le métier visé. Projet professionnel : Trajectoire du projet, les moyens de développement envisagés ; cohérence du projet dans son ensemble.	Enquêtes, recherches & analyses très insuffisantes. Objectifs, trajectoire & moyens sont très flous. Incohérent.	Enquêtes, recherches & analyses insuffisantes. Objectifs, trajectoire & moyens sont insuffisamment argumentés. Manque de cohérence.	Enquêtes, recherches & analyses suffisantes mais perfectibles. Objectifs, trajectoire & moyens envisagés sont argumentés. Cohérence.	Enquêtes, recherches & analyses au-delà des attentes. Objectifs, trajectoire & moyens envisagés sont bien argumentés. Très cohérent.	
Communication orale, écrite, interaction - médiation du projet PPP	Non validé 0 - 4,9	Partiellement validé 5 - 9,9	Validé 10 - 14,9	Bien validé 15 - 20	Note / 20
Communication Orale : Claire et facile à comprendre (synthétique, fluide, bon choix des mots...); Capacité à convaincre par des arguments pertinents (rhétorique...). Communication Non verbale (CNV) : Attitude positive et équilibrée (open body language, émotion, sincérité, confiance, passion, énergie...); Synergie positive avec l'auditoire (contact des yeux). Communication Écrite (PPT) : Les objectifs et les messages du PPT sont bien compris par le jury; La structuration du support est claire et cohérente; orthographe ok.	Difficile à comprendre. Arguments très insuffisants. Attitude très décalée. Supports très insuffisants (qualité & quantité).	Certains points sont difficiles à comprendre. Arguments insuffisants. Attitude légèrement décalée. Supports plutôt insuffisants (qualité ou quantité).	Compréhensible & convaincant. Attitude positive, enthousiaste. CNV perfectible. Supports de bonne qualité mais perfectibles.	Très clair et convaincant. Rhétorique et sincérité. Bonne CNV. Au-delà des attentes. Supports de très bonne qualité (fond & forme).	

Why do engineers need to
prepare their PPP career projects ?

To enhance their employability

20% non-validated
PPPs in January

10% non-validated
PPPs in April retakes

First & last impressions are impactful (be inspired by, but don't copy...)

At least **ONE** career project
on your first slide

- ✓ Attractive & professional
- ✓ Relevant & sober
- ✓ Polished/done with care

- ✓ Attractive diagram (not bullet points)
- ✓ Hard & soft skills package
- ✓ International mobility project(s)
- ✓ Key professional experience, internships
- ✓ Original & done with care/thought
- ✓ Clear & concise

PPP - INTERVIEWING

*#2. EPORTFOLIO
UPGRADE REVIEW*

Creativity, self-awareness & self-management

- Branding, UVP
- E-reputation
- Digital **Self-marketing**

Showcasing, external consultation, recommendations, selection

- **PPP** jury alumni & staff
- Department directors
- Recommendation authors
- Option deciders

Validations to obtain engineering diploma

- **Civic engagement** 40 wks S9
- **Mobility** 17 weeks S9
- **Internships** S6 & S8
- **English level** B2+ S9
- Other

	EPORTFOLIO VALIDATION LEVELS			
	Not validated 1-5	Partially validated 6-9	Validated 10-15	Beyond requirements 16-20
Spelling	Many spelling errors	Some to few spelling errors	No (or exceptional) spelling errors	No spelling errors, all spelling is either in US or UK English, use of on-point vocabulary
Grammar	Many grammar errors	Some to few grammar errors	No (or exceptional) grammar errors	No grammar errors, use of complex grammatical structures
Ease of use	No separate tabs for different artefacts, all work presented on homepage, work not in the correct dedicated tab	Some to few main tabs, some to few sub-tabs	All, or almost all, main tabs with some sub-tabs	Easy to navigate, all tabs are clearly labelled, site map
Artefacts	No, or very few, artefacts present, and/or they are of insufficient/poor quality	Some artefacts but several are missing; some artefacts, or parts, are of insufficient quality	All requested artefacts are present and of adequate quality	All requested artefacts are present & of good quality, plus additional videos, projects etc
Videos	Does not speak slowly and clearly, does not look at the camera, background music is overpowering, far too short or much too long (+/- 50% or more)	Speaks slowly, but seems to be reading from a script/monotonous at times, lack of fluidity, but few mistakes. Some background distractions or music. Quite short or quite long (+/- 30-45%).	Speaks clearly and confidently at times, rare errors, engaging and dynamic in parts, interesting content in parts and clear structure. Thoughtful mise-en-scène. Minor background distractions. The correct length or not too far off (+/- 20-25%)	Is dressed professionally, is confident and passionate in their speech, no background distractions, smiles and shows some of their personality, has thoroughly prepared content and structure, & mise-en-scène, (quasi) error-free. (Quasi) the right length (+/- 10-15%)
Personalisation	No personalisation of home page, copy-pasted directly from WIX template	Adapts tabs etc to own preferences but does not show sufficient individualism on their profile	Includes some personalisation such as sports and hobbies, and some professional level projects in soft and hard skills	Home page highly personalised to show own interests, achievements & professional projects, both technical & non-technical, maintains professional vision

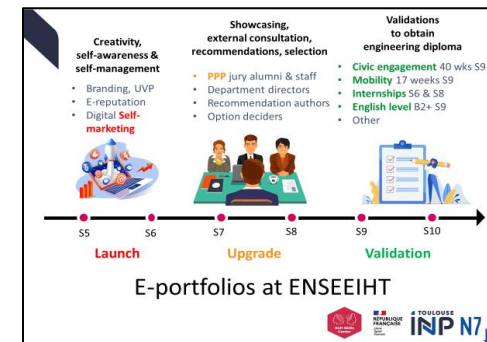

L3 CAM S5 – (Self) Marketing ePortfolio tabs

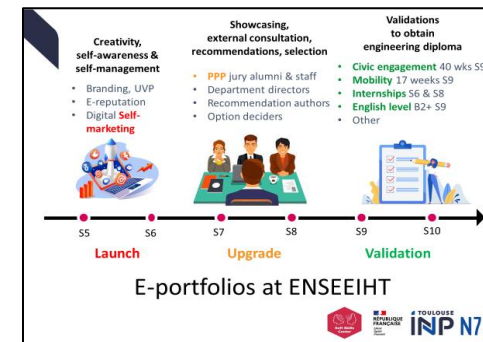

6 tabs to be completed over 3 years of studies to showcase skills, projects & best productions:

- Welcome (+ *elevator pitch*)
- Engineering course (+ *sub-tabs for projects & productions*)
- International Mobility (+ *sub-tabs for PCE, LV2, etc.*)
- Sustainability & Civic Engagement (+ *sub-tabs for actions, projects*)
- Sport & other activities (+ *sub-tabs for actions, projects*)
- Professional Project - PPP (+ *sub-tabs for internships, PPT, etc.*)

Upgrade your PPP ePortfolio: what do your department directors & industrial partners want to see ?

Upgrade your PPP ePortfolio: what do your department directors & industrial partners want to see ?

1. Is your ePortfolio **spelling error-free** (engineer level = 500 pts <https://www.projet-voltaire.fr/>)?
2. Are all your documents of **professional quality**?
3. Are all your documents **of interest to potential employers**?
4. Is there superfluous information to remove or are **updates needed**?
5. Does your ePortfolio give a **positive first impression**?
6. Have you **applied feedback** from peers, mentors, etc?
7. Is there an **International Mobility** tab with a roadmap & video pitch, foreign language docs?
8. Is there a **Technical Projects** tab with example(s) of your work/interests (videos, posters, reports, etc.)? Is there a **RSE - Civic Engagement** tab with docs?
9. Is your **Professional Projet - PPP** tab **easy to locate and navigate**?
10. Does your **Professional Projet - PPP** tab include the **requirements** below?
 - Application file with job ad (of your choice) + cover letter + CV in French & English?
 - Internship reports in French or English?
 - LinkedIn profile in French or English?
 - 2-3 minute video pitch (« present-past-future »)?
 - Mobility roadmap + carbon footprint? MJG Networking Certificate or interview report?
 - January presentation PPT slides showing PPP research done in French or English?

How to reserve your PPP slot & avoid ABI + yellow cards...

All students reserve a slot outside their LV2 or EPS classes scheduled in PPP week. **Absences in LV2 or EPS = ABI + YELLOW CARD**

- « **EPS différés** » students reserve a slot **between 8am-10am** (the other students have EPS at that time)
- « **Non EPS différés** » students reserve a slot **during their CAM or English class times** (CAM & PCE are NOT scheduled in PPP week)
- Avoid PPP timetable gaps: if there are gaps, your PPP slot will be moved so that jury members do not wait
- Supply NAME + ePortfolio link - check your ePortfolio link works!

In-class timetable to reserve your PPP slot (SN & 3EA only)

SN & 3EA	Morning slots	Afternoon slots	Thurs afternoon slots (SN only)
A. HULL	Class 7	Class 8	Class 9
F. ICHE	Class 9	Class 7	Class 8
G. CASEY	Class 8	Class 9	Class 7

*#4. SELECT YOUR
CAM OPTION FOR
SEMESTER 8*

Select your S8 CAM option

- ✓ Consult the [2025-2026 SHS syllabus](#) to date
- ✓ Select your CAM option
- ✓ Be ready soon to enroll in your chosen CAM option for semester 8
- ✓ Leadership option is scheduled in the 10.30am slot
- ✓ Other CAM options are inter-department and on Thursday afternoons
